- You will attend lab practices and lab exams on Wednesdays, between 18.00-20.00
- In lab practice weeks there will be a recitation. After the recitation you can work on the lab practice and submit it by 23.59.
- Lab exams are **exams**. They must be submitted in the allocated time.
- **Note that if you miss any of the 2 lab exams or if you get ZERO from any of the 2 lab exams; you will FAIL the course automatically. This means you will get an NA grade in case you get a ZERO from 2 lab exams.**
- Lab Preliminary questions will be given online, 1 week before the lab exams.
